THE ORIGINAL  
**SNAP-N-LOCK**  
INSULATED PANEL

# Santa Fe Package

**Whatever the weather, you can enjoy the sophisticated charm of a lattice cover.**

The **Santa Fe Package** combines the solid roof construction of the Snap-N-Lock™ Insulated Panel with beautiful Southwest lattice accents and exposed rafter tails. For maximum protection from the elements, run the panels the entire length of the roof. To provide shade and allow refreshing breezes to pass through, extend the solid roof only partway.
