TOTAL LIVING AREA

2,094 sq.ft.

The most asked for features are all found in this three bedroom, two bath home. The foyer offers both privacy and style. Natural light floods the living area through the large sliding glass doors. The kitchen has enough room for all the cooks of the house, with both an island and pantry. A large utility room adjoins the kitchen. The master bedroom is really a suite all to itself, with a full-size walk-in closet and bath complete with a relaxing spa tub.
