

Magnolia

OVERALL DIMENSIONS

36'-0" x 56'-0"

Columns are used to frame the entryway and porch, giving this home a classical flare. The wide window in the dining area not only allows plenty of light to enter the room, it provides a natural atmosphere for family meals. The pass-through to the kitchen is very convenient. This entire floorplan utilizes the space very effectively.

Structall offers a complete line of precut and preengineered home and building packages utilizing structural insulated panel technology (SIPs). All packages erect quickly, are stronger than conventional framing and extremely energy efficient. SIPs can be clad in conventional OSB or in steel incorporating the patented Snap-N-Lock panel connection.

Snap-N-Lock™ Insulated Panel

Your Choice of Aluminum or Steel Skins

Patent No.'s 4,769,963 and 5,086,599

Dual Plywood Spline Joint
